**Eagle Rock Files Amended  
Business Acquisition Report**

CALGARY, November 2, 2007 - Eagle Rock Exploration Ltd. ("Eagle Rock" or "ERX") announces it has filed on SEDAR an amended business acquisition report (the "Amended BAR") in connection with its acquisition of Sword Energy Limited ("Sword") which closed in September 2006. The revisions contained in the Amended BAR are minor and relate principally to the relevancy of certain comparative historical financial information of Sword (which, as a private company, did not prepare quarterly financial statements) provided in the original business acquisition report previously filed on SEDAR in August 2007.
