

## **Eagle Rock Exploration appoints new Vice-Presidents in Operations and Engineering**

CALGARY, AB - April 15 - Eagle Rock Exploration Ltd. ("Eagle Rock" or the "Company") (TSXV:ERX) is pleased to announce the approval by its Board of Directors to the appointment of Rob Bell as Vice-President, Engineering.

Mr. Bell, the former Vice-President Engineering and Chief Operating Officer of Dragonheart Resources Ltd., a private oil & gas company acquired by Eagle Rock, joined Eagle Rock as Senior Engineer upon closing of that transaction in December 2007. Mr. Bell, a Professional Engineer, has over 30 years of experience, including production, exploitation, reservoir, facilities, projects, joint interest and strategic planning. His extensive background also includes officer positions with two Toronto Stock Exchange listed oil and gas issuers.

Mr. Bell replaces Ron Chapman as Vice-President, Engineering. Mr. Chapman, who has over 20 years of oil & gas experience, has been appointed as the new Vice-President, Operations, of Eagle Rock. John Andriuk stepped down from his position as Vice-President, Operations, and Chief Operating Officer on April 14, 2008. Mr. Andriuk has served as an executive officer of Eagle Rock since its inception as an oil & gas company in February 2006. The Board of Directors, management and employees of Eagle Rock wish to thank Mr. Andriuk for his valuable contribution over the past two years to the development of the Company.

In addition, the Board of Directors of Eagle Rock has approved the granting of incentive stock options under its stock option plan to certain of its directors, officers, employees and consultants to acquire up to an aggregate of 1,200,000 common shares of Eagle Rock. All of the options are exercisable for a period of 5 years at price of \$0.30 per share.
